EDUCATION

State University of New York (SUNY) College at Plattsburgh

Bachelor's Degree (B.S.) Computer Science (Class of 2022)

- **GPA: 3.75**
- **Courses:** Software Engineering, Databases, Object Oriented Programming, Data Structures, Public Speaking/Persuasive Writing (Teaching Assistant)
- **MyFood Personal Refrigerator:** Worked with a team to develop an application that manages the contents of a refrigerator. Primarily used Google Flutter and Dart to contribute to front end development tasks.

PROJECTS

- **Visual Pathfinder:** Built an application using Python and React that launches an interface which uses Dijkstra's algorithm to find and display the shortest path between 2 nodes in a graph.
- **Flask Blog:** Created a small web blog using SQLite and Flask in Python3. The blog allows the users to create, edit, and delete posts that have been displayed in a list on the homepage of the blog.
- **M&J's Barbershop:** Built a website using HTML and CSS files for a local barbershop. The HTML files include multiple tables for user input, maps, and phone and email links. All CSS files were customized from scratch.

SKILLS & INTERESTS

- **Languages:** C/C++, Python, Java
- **Technical Skills:** Linux OS, GitHub, HTML/CSS, JavaScript, Flutter, Dart, Microsoft Office
- **Hobbies:** Club Ice Hockey, Club Golf, Lacrosse, Cooking

PROFESSIONAL EXPERIENCE

The Country Club of Troy (Banquet Captain) Troy, NY

August 2017 - May 2020

- Oversaw all aspects of banquet dining such as meal prep, table assignments for employees, and scheduling while ensuring member satisfaction and staff cooperation.
- Trained all new hires to reach peak efficiency in the work environment.
- Persistently assembled staff to combat unforeseen hurdles in a fast-paced work environment.

VOLUNTEER EXPERIENCE

MyTwill: Give Where You Live

October 2017 - April 2018

- Volunteered for a local non-profit healthcare solution organization.
- Facilitated the sales of Twill clothing and accessories created for student/faculty events at a local high school. All proceeds were donated towards medical expenses involving a student in need of a transplant operation.

St. Joseph's House

January 2017 - April 2017

- Coordinated a toiletry drive for a homeless shelter at a local high school.
- Students participated by donating various types of hygienic supplies to be sent to the shelter.
